

64mm Fiber Duct Cutter

Designed to make clean, square, and burr-free ring cuts in plastic fiber ducts up to 64mm diameter.

Clean cuts. Comfortable grip. Rugged performance.

Engineered for ultimate control and ease, this ratcheting duct cutter delivers smooth, burr-free cuts with minimal effort and maximum precision.

Features

- Provides precise, burr-free cuts in plastic fiber ducts, PVC, CPVC, HDPE and other non-metallic ducts and tubing with diameters up to 64mm
- Glovable™ design for easy use with gloves

- Safe, compact and ergonomic design fits comfortably in hand for easy operation without risk of injury
- One-handed operation with easy open spring release
- Ratcheting design provides maximum leverage to cut with minimal effort
- Rugged die-cast aluminum alloy is lightweight and durable
- Triangular, hardened tool steel, heat-treated and Teflon®-plated blade provides square and straight cuts by securing the duct or tubing in place

Part #	Item Description	Material	Length	Weight	Replacement Blade Part
MCO2-7010	64mm Duct Cutter	Cast Aluminum	10" (254 mm)	19 oz (538.6 g)	MCO2-7510

Heat-treated, Teflon®-plated blade provides square, burr-free edges
